7 days/6 nights - a fully escorted tour for only \$1,195 per person

Join us on our first tour featuring two days of volunteering with the animals at Best Friends Animal Sanctuary in Kanab, Utah. Seated at the heart of the Golden Circle of national parks in southern Utah, resting on 33,000 breath-taking acres, Best Friends is home to approximately 1,700 dogs, cats and other animals who come from shelters and rescue groups around the country for special care they can only receive at Best Friends.

Celebrating its 25th year in 2009, the mission of Best Friends is to bring about a time when there are No More Homeless Pets. Every year, over 30,000 people visit and volunteer to make a difference in the lives of the animals and now you can have a chance to do the same. This tour has it all - a chance to learn from the staff of Best Friends, volunteer with the animals and see Mother Nature at her best.

Day 1, Sunday, April 25 - Las Vegas, NV

Las Vegas, "Sin City" will be our starting and ending point for the tour. Take the free shuttle from the airport to the La Quinta Inn then it's just a short walk or take the hotel's free shuttle to "The Strip". The first corner you come to is the Bellagio with the famous fountains and Caesar's Palace, and this is just the start. Consider arriving a day or two early to experience the fun of Las Vegas.

Day 2 - Monday, April 26 - Kanab, UT

In the morning we meet in the hotel lobby and board our coach. After a stop for lunch we'll visit Pipe Springs National Monument, home to the early settlers when America was expanding west. In the afternoon we will have our first look at Best Friends Animal Sanctuary with a guided tour of the complete facility. We will check into our motel with plenty of time to explore the town of Kanab. (Breakfast)

Day 3 - Tuesday, April 27 - Best Friends

After breakfast we will spend the entire day with the animals at the sanctuary. Choose the animal area you would like to work with; dogs, cats, horses, birds, bunnies or even pot-bellied pigs. The staff will guide us in the care of the animals and offer many useful tips we can take with us when we return home. Lunch will be in the vegetarian cafeteria at the Sanctuary then we will continue to spend time with the animals before returning to the motel. (Breakfast, Lunch)

Day 4 - Wednesday, April 28 - Best Friends and Bryce Canyon

We will spend the majority of the day at the sanctuary before departing for Bryce Canyon. Bryce Canyon Lodge is listed on the National Register of Historic Places and is nestled in a forest of ponderosa pines – boasting a rustic elegance that's authentic right down to replicas of the Lodge's original 1920s hickory furnishings. (Breakfast, Lunch)

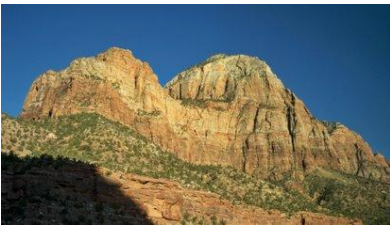

Day 5 - Thursday, April 29 - Bryce Canyon and Zion

Early-risers will want to catch the unforgettable sight of a Bryce Canyon sunrise, the light of dawn slowly spread across the park's unique geological features. Spend the morning at leisure, perhaps taking advantage of Bryce Canyon's renowned hiking trails to observe a great variety of bird species, beautiful wildflowers and diverse wildlife. We leave mid-afternoon and spend the night

just outside the entrance to Zion. (Breakfast)

Day 6 - Friday, April 30 - Zion National Park

The Paiutes believed this place to be the home of their coyote spirit, Sinawava, while early Mormon visitors referred to it as "the natural temples of God" and you'll discover why. Sheer cliffs of colorful sandstone

canyons and 3,000-foot high palisades tower above the lush greenery of the canyon floor. We will leave our hotel together for a guided tour to an area with hidden waterfalls and abundant wildlife. At the end of the tour you can return to the shops and restaurants of Springdale or hike in the midst of the wonders of nature in the canyons, creeks and meadows of the park. Join us this evening for our farewell dinner. (Breakfast, Dinner)

Day 7 - Saturday, May 1 - Zion and Las Vegas

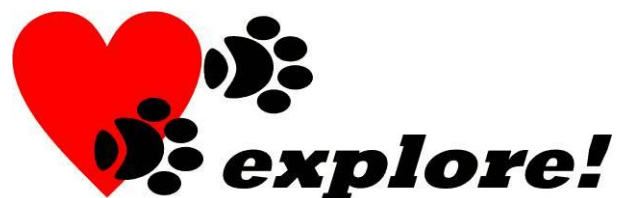

Revisit the park this morning via the free shuttle to explore Zion's diverse geological features at leisure. Highlights include a trio of peaks known as the Three Patriarchs; the Emerald Pools, fed by waterfalls cascading over the canyon wall; and the veil of spring water trickling over Weeping Rock. Or explore the galleries and shops of Springdale since we will be leaving in mid-afternoon. We plan to arrive in Las Vegas at the La Quinta Inn at approximately 6:00 PM. Please schedule your return flight after 9:00 PM. This would also be a perfect time to spend another night or two and explore the casinos, attend a show or splurge for dinner in one of many five star restaurants within an easy walk from the hotel.
