The PETsMART Charities' Spay/Neuter Program provides financial assistance to pet owners in need in Haywood, Henderson, Madison, McDowell and Rutherford Counties. This program cannot provide spay/neuter assistance to feral cats. It also cannot provide assistance for stray or abandoned animals in need of a home. However, ACN's Foster/Adoption Program will pay for the cost of the spay/neuter surgery if you choose to find a home for a stray animal through the network.
